### Did you know?

In Australia today, the latest studies show more than **18,000** children are living with a life-threatening illness or condition.

Today, you're helping grant life-changing wishes for the **930 children** on a Wish Journey right now. Thank you, we can't make wishes come true without your support.

**If you had to eat one dessert for the rest of your life, what would it be?**

Every cupcake counts towards a wish.

**Sweet or savoury, which team are you on?**

You're baking a difference for wish kids.

**As a child, what did you wish for?**

A wish is as unique as the child who imagines it. A wish is more than a moment, it's a unique experience created for a child to help during the toughest of times, carefully crafted to reflect their personality, passions and imagination.

**If you had 3 wishes, what would your first one be?**

**If you could invent a new dessert, what would we call it?**

A wish is as unique as the child who imagines it. A wish is more than a moment it's a unique experience created for a child to help during the toughest of times, carefully crafted to reflect their personality, passions and imagination.
