

Hallowish

A black and white line art illustration for a Halloween coloring page. The top section features a night sky with a crescent moon, three stars, and two clouds. A decorative wavy line separates the sky from the title. The title 'Hallowish' is written in a large, stylized, outlined font, with a small star above the 'i'. Below the title, there are four jack-o'-lanterns with various faces (one with a wide grin, one with a single tooth, one with a simple smile, and one with a wide-open mouth) and a small pumpkin. They are surrounded by leaves and vines. A decorative swirl is on the left side.
