

Helpful tips & checklist

Use the helpful tips and checklist below to get the most from your lessons. If you need any extra support, please contact the team on fundraising@makeawish.org.au

- The program is flexible, so feel free to use the lessons that feel aligned to your school
- Have backup materials ready (extra paper, paint, glue)
- Pre-cut difficult shapes for younger students
- Prepare samples at different skill levels to show possibilities
- Create "stations" for different tasks (painting, cutting, gluing etc.)
- Schedule messier activities before break times when cleanup is easier
