

# Event bunting

**What you'll need:** Card or paper, scissors, glue or tape, string or ribbon.

## INSTRUCTIONS

- 1 Print the bunting and cut out each diamond shape.
- 2 Fold each piece in half along the centre line to create a triangle, then place a string along the fold.
- 3 Secure the string inside using glue or double-sided tape, pressing the two sides together.
- 4 Space out the triangles evenly along the string, then hang your bunting.
